A DJ set with a live performance signature.

Tomcat Trumpet folds live brass into house-driven electronic sets. The trumpet arrives inside the set, creating peaks that feel spontaneous, musical and unmistakably live.

Club / Residency

Extended house-driven DJ set with trumpet moments woven through the night.

Signature set

Artist-led performance with more intentional trumpet peaks, edits and narrative arc.

Private / Brand

Flexible format for hospitality, VIP, corporate, destination and member events.

Melodic · Progressive · Afro · Latin · Tech house

A destination nightlife chapter.

Tomcat's Park City history includes The Cabin and Velvet Room. Velvet Room presented Noir Nights with DJ Tomcat Trumpet on March 28, 2026.

The format brings a live instrumental presence into a house-driven DJ set, with a musical arc that can suit an intimate room or an extended destination weekend.
